BI Solutions Inc. Appoints Retired U.S. Navy Captain Stuart Day as Director

BI Solutions, a Harrisburg-based data analytics and business intelligence firm, has appointed retired U.S. Navy Captain Stuart Day as Director. Day will lead the business development efforts at BI Solutions and lend his leadership skills to current and emerging Department of Defense contracts.

Day, a U.S. Navy Supply Corps Officer, concluded his military career on August 31, 2022, after 25 years of service to our nation. Immediately prior to joining BI Solutions, Day served as the Director of Readiness and Logistics for the Naval Sea Systems Command, Washington DC. As Chief Logistician for the 80,000-person Naval Sea Systems Command Enterprise, Day demonstrated expertise in logistics management, inventory management, audit, supply chain management, and strategic planning.

BI Solutions President, Teresa Lanza, said “The entire BI Solutions Team is excited to work with and learn from Stuart as he continues his service to our nation by providing world class data analytics to the DoD.”

Day is a graduate of Virginia Tech and holds an MBA in Supply Chain Management from Naval Postgraduate School. Days tours of duty included Jacksonville, Florida, Stuttgart, Germany, Mechanicsburg, PA, and Kuwait. Day and his family now reside in northern Virginia.
